

# Install 10 Install 30

Speaker Enclosures

## Description

Beautifully styled, the Australian Monitor Install 10 and 30 offer sleek lines and curves ensuring they are suitable for most decors. Of modern design, the Install 10 and 30 deliver a big, punchy sound from very compact enclosures. Intelligibility for speech applications is sensational. Additionally, an integral and discrete bracket makes for easy mounting in an almost any installation.

## Install 10

Available in black or white, the Install 10 features a 3 1/2 inch woofer and a tweeter. The unit operates at 8 ohms or 100V line. Rear panel selectable 100V line tapplings are 10, 5, 2.5W.

## Install 30

Available in black or white, the Install 30 features a 4 inch woofer and a tweeter. The unit operates at 8 ohms or 100V line. Rear panel selectable 100V line tapplings are 30, 15, 7.5W.
