Speaker Enclosures

Description

Beautifully styled, the Australian Monitor Install 10 and 30 offer sleek lines and curves ensuring they are suitable for most decors. Of modern design, the Install 10 and 30 deliver a big, punchy sound from very compact enclosures. Intelligibility for speech applications is sensational. Additionally, an integral and discrete bracket makes for easy mounting in an almost any installation.

Install 10

Available in black or white, the Install 10 features a 3 1/2 inch woofer and a tweeter. The unit operates at 8 ohms or 100V line. Rear panel selectable 100V line tapings are 10, 5, 2.5W.

Install 30

Available in black or white, the Install 30 features a 4 inch woofer and a tweeter. The unit operates at 8 ohms or 100V line. Rear panel selectable 100V line tapings are 30, 15, 7.5W.

Install 50

Available in black or white, the Install 50 features an 8 inch woofer and a tweeter. The unit operates at 8 ohms or 100V line. Rear panel selectable tapings are 50, 25, 12.5W.

Supplied per pair with bracket included.
